### **Amendment 2 – RFP-006-T-2021 – Vital Records Information Management Systems**

#### **Questions and Answers:**

**TIMETABLE:** We look forward to providing the USVIDOH with a comprehensive and detailed proposal that will clearly show the value our solution will provide USVIDOH and it's citizens. Due to the fact of holiday season we are requesting a 3 weeks extension on the proposal submission date in order to provide a quality submittal.

The Department of Health has agreed to the extension

**Contract Term:** Please specify the contract duration.

The term will be three (3) years, with two (2) one (1) year renewal options

**Functional Specifications for General Requirements:** Please specify the number of certificates and non-certificates issued in a year?

Approximately 5,000 annually, Territory-wide

**CONTENTS OF PROPOSAL:** Does GVI has a specific Cost template that we should use?

NO

**Section III – DATA CONVERSION AND MIGRATION:** Can you please provide the data size and volume for conversation, such as number of records by vital event and each data source?

Currently there are approximately 515,000 documents, as of 1917 to present, across all spectrums of events, that require migration to a new system.
